Dear Parent or Guardian,

In an effort to ensure that the unique needs of military-connected students are met, the North Carolina State Board of Education/North Carolina Department of Public Instruction determined a process to collect information on military-connected students. The goal is to help accommodate these students by providing them with support and consistency when their parents are deployed, when they are transitioning between schools, and at other pivotal times during their academic career.

This mandatory collection started in the 2015-16 school year. The following website describes this requirement and can be accessed at: <http://www.ncleg.net/Sessions/2013/Bills/House/PDF/H1060v1.pdf>

To ensure compliance with Session Law 2014-15 and the Interstate Compact on Educational Opportunity for Military Children, please complete the following information:

Is an immediate family member of your child connected to the U.S. Military, including Active Duty, National Guard and Reserves, Retired Military, Disabled Veteran or a Federal Civil Service Employee?
